Request for Information re Cesspools

Dear Sir or Madam,

On behalf of South Maui Citizens for Responsible Growth, I request records regarding the location and number of all large capacity cesspools currently known to the EPA for the south Maui, Hawaii, area included within the 96753 postal zip code.

Please let me know if you need additional information from me to process this request. If records are available electronically, I would prefer that method of transmission. If not, I will authorize payment for copies up to \$25.00, although I request waiver of fees since this request is being made for community planning purposes; South Maui Citizens for Responsible Growth is a Hawaii nonprofit organization concerned with quality development and maintenance of our precious island community and near shore ocean waters.

Sincerely and Mahalo for your assistance,
